OUR ACTIVITIES

Verily, deeds are only with intentions. Verily, every person will have only what they intended. So whoever emigrated to Allah and His Messenger, then his emigration is for Allah and His Messenger, who ever emigrated to get something in the world or to marry a woman, then his emigration is for what ever he emigrated for.

(Shahih Bukhari: 54)

The Call to Prayer

In Arabic, the word 'Athan' is to call or to inform. Religiously, it is a call made to inform people that the time of the praying has begun. It is obligatory for the congregation in the masjid while for individuals praying alone at home, for example, it is a highly preferred act. It begins by proclaiming the greatness and oneness of Allah and the denial of disbelief and polytheism, testifying to the messengership of Muhammad ﷺ and then calling to a prosperity which is everlasting, pointing to the return to Allah.
